1. Average 4.9/5.0 stars based on actual customer reviews

2. Offer available on initial appraisal for purchase and refinance transactions only, where an appraisal is required by Zillow Home Loans. Appraisal must be ordered by Zillow Home Loans. Appraisal fee will not be charged to borrower when the loan closes with Zillow Home Loans. Appraisal fee may appear as a loan cost on loan disclosures. Offer does not apply to any subsequent appraisal, including re-inspections, desk reviews, etc. Zillow Home Loans, in its sole discretion, reserves the right to change or end promotion at any time.

3. This data is measured from the moment an agent updates a buyer's status to "submitting offer" and includes home purchases in Enhanced Markets that connected with Zillow partners and closed in 2024. Zillow does not guarantee that collaborating with a Flex partner and Zillow Home Loans will lead to a faster closing time, as indicated by Zillow research. For use outside Enhanced Markets, please note that the data was collected from Enhanced Markets only.
